Note:

Request Protocol: All requests for petty cash and staff expense reimbursement must be approved by the Head of Department (HOD) using the designated petty cash request form.

Nature of Expenses: Petty cash should only be used for minor expenses such as taxi fares, postage, and office supplies. Larger purchases should be planned in advance and processed through the Procurement Department.

Approval Process: Petty cash requests must be authorized by the HOD of the respective department and submitted to the petty cash custodian. The custodian shall review the request prior to disbursing funds. Petty cash purchases should be made only after the petty cash has been received from the custodian. Note that petty cash requests for reimbursement of expenses carried out without prior approval may be rejected.

Expense Limit: Petty cash expenses should not exceed MVR 1000 for any single bill or invoice. If the amount exceeds MVR 1000, justification for the purchase and approval must be provided to the custodian along with the request form.
